Notice

The Sardar Patel University, Mandi has declared the results of SPUCET-2024 (Sardar Patel University Common Entrance Test) conducted for various courses from 10th June 2024 to 19th June 2024. The results/score cards have been uploaded on the SPUCET Portal and the candidate can download the same by logging on the portal with his/her ID and password. It is worth mentioning that for 1705 seats in various UG/PG Courses being offered in the University and its affiliated colleges, 3248 candidates had applied and 2875 candidates had appeared for the entrance test. In respect of all the courses for which entrance test has been conducted, the University and its affiliated colleges shall admit students in such courses for the academic session 2024-25 on the basis of merit of the entrance test (SPUCET-2024).

The dates of counseling for admissions in various UG/PG courses running in the University shall be updated on the University website very soon. For further information and updates, candidates must visit the University website (www.spumandi.ac.in) regularly.
